**REGISTERED PERSONNEL DOSIMETRY PROVIDERS  
IN NORTH DAKOTA**

The following is a list of companies that offer Personnel Dosimetry Monitoring services and are registered with the Department.

North Dakota Radiological Health Rules require all registrants and licensees obtain services from a company which is registered with the Department (Subsection 33-10-02-03.3; page 2-2). Request for literature and price quotation should be addressed to the companies.

This list does not indicate any preference by this office. All listed companies are accredited by NVLAP (National Voluntary Laboratory Accreditation Program) through the National Bureau of Standards, U.S. Department of Commerce.
